### Product Features

Having its origin in the traditional alcoholic beverage "Awamori" of Okinawa, "Moromi Vinegar" is **rich in amino acids and citrates** and our **recommendation for people who are concerned about "Weight-Loss", "Vitality" and "Chills"**.

The ingredients of our "Moromi Vinegar" are **100% products of Okinawa**. We compressed the "Moromi Vinegar", which is hard to drink in its liquid form, in highly concentrated soft capsules.

These easy-to-swallow soft capsules can be conveniently taken daily, without being bothered by a sour taste.

Further, another high-class ingredient, **ginger**, was added. We only use **ginger from carefully selected, Japanese farms in Okinawa and Kochi**.

Ginger heats up the body and is therefore **ideal for women with the typically female problem of being cold easily**.

The main ingredients, "Moromi Vinegar" and "Ginger" are **products of Japan**, so enjoy them without worries.

### Marketability

Typical concerns of aging (weight, beauty, health) are everlasting obstacles for women from maturity onward.

"Moromi Vinegar" gained popularity among a wide array of customers, encompassing **women in their 30s**, who stated to feel concerned about aging, **to women well in their 70s**.

Among them, those who have the most urgent feelings about weight-loss, beauty and health are the core target group of the 40-60 year olds.

Actually, after taking the product, accompanied by moderate exercise, many customers left us a lot of positive feedback, in the likes of **"My body feels lighter"** or **"My body became cleansed and slimmer"**.

### Selling Points

- The amount of **amino acids**, which are helpful with weight loss and cosmetic improvement, is **75 times higher than that in common rice vinegar**, and that of **citrates is 133 times** as high. A body that suffers from a lack of exercise and a slowed down metabolism can get the needed support to become cleansed and slim again, thanks to the power of amino acids and citrates.
- It contains **19 types of amino acids (including essential ones)**, which are a fundamental building blocks for collagen. That makes it work as a beauty product.
- The spicy components of ginger revitalize the circulatory system and make it possible to feel lively, even while being on a diet or a beauty regimen.
- Dating back to the Heian Period, Japan's oldest medical book, the "Ishinpo", lists ginger as a popular cure among nobles, showing that ginger was popular since ancient times.
- If subjected to dry heat, the "Gingerol" that is included in raw ginger will turn into "Shogaol", an ingredient that has even more heating and revitalizing ability than normal ginger, making our supplements **more effective than raw ginger**.
- It is a **product of Japan**, produced in our factories and subjected to rigid quality control.
